Subject E-Quote System Enhancement

We are pleased to announce an enhancement to our electronic liquor product quotation system, E-Quote.

It is now possible to file product **Label Changes** for existing (not New Items) products using E-Quote.

The link to this screen is found on the E-Quote Welcome splash screen after the vendor logs into E-Quote.

To submit a label change to the MLCC, the vendor simply enters their new Tax and Trade Bureau Identification number (TTB ID) in the field provided. MLCC staff will then be able to view the image of the new label on the TTB's COLAs On-Line website, and either approve or deny the submission.

We hope you find this enhancement helpful and convenient to use, as we continue to strive to follow best practices with our spirits supply chain trading partners. Please pass this information on to the appropriate people in your organization.

If you have any questions regarding this matter please contact Liliana Paceagiu at 517.322.5653, or email at Impacea@michigan.gov.
